CAMOZZI

Connection

Camozzi offers a large selection of fittings and accessories suitable for a wide range of applications. Super-rapid fittings, universal fittings, quick release couplings and accessories are available in different dimensions from M3 to G1" and for tubes from 3mm to 16mm. Patented Sprint® fittings (BSP and BSPT) are further characterised by a Teflon ring on the male thread which guarantees a perfect and repeatable connection, even on uneven surfaces.
